

COMMUNITY CREDIT UNION

TICKETS-FORE-CHARITY SEPTEMBER 10-16

The Oregon Community Credit Union Tickets-FORE-Charity program is a new program in 2007 for the Oregon Classic Presented by Kendall Auto Group. Oregon Community Credit Union and the tournament are providing non-profit organizations the opportunity to sell weekly and daily tournament tickets. Best of all, 100% of the proceeds from the ticket sales goes directly to the charity. This is an incredible opportunity for your deserving non-profit organization. The kick off of tournament ticket sales will begin in June.

Ticket Prices:

Season Grounds:	\$25
Daily Grounds:	\$8
10 – Pack of Season Grounds:	\$200
10 – Pack of Daily Grounds:	\$70

Bonus Pool:

Oregon Community Credit Union and the Oregon Classic have provided a Bonus Pool for the organizations selling tickets. The Bonus Pool is worth \$5,000 to be divided among the participating organizations selling tickets. It will be divided among the organizations based on the percentage of total ticket revenue they sell. This is an incredible opportunity for the deserving non-profit organizations that do such a wonderful job of positively impacting the quality of life for people in the Willamette Valley.

Bonus Pool Sample Distribution:

Organization XYZ Sold tickets equaling = \$2,000
 Total Dollars of Tickets Sold from Participating Organizations = \$10,000
 Percentage of Amount Organization XYZ sold = \$2,000 (Organization \$) / \$10,000 (total \$) = 20%
 Bonus Pool Amount to XYZ Organization = 20% (\$5,000 Bonus Pool) = \$1,000
 Total Amount to XYZ Organization = \$2,000 + \$1,000 = \$3,000

Ticket Order Flyer:

Each organization will receive a personalized ticket order form customized with your organization's name in the form of a Word document or a PDF. You are welcome to produce as many as you would see fit. You will receive your organizations ticket order form via email from the Oregon Classic. If you do not have email access, please contact the tournament office for your ticket order form to be mailed to you. In addition to the customized ticket order form for your organization, we also will produce a generic order form listing all of the participating organizations.

Promotion:

Each organization has the opportunity to advertise and promote the Oregon Community Credit Union Tickets-FORE-Charity program. Some strategies in promotion could be to pass out order forms door to door or in local businesses, websites, mailings, emailing notices and special events.

Ordering and Accounting of Ticket Orders:

Tickets are not available for sale until late spring. Upon availability, customers have the option of ordering tickets via fax at (541) 242-0678 or by mail to the Oregon Classic tournament office. Tickets are sent in the mail immediately after purchase with a confirmation letter detailing the organization selected to receive the proceeds. **Orders received after September 3 will be available at Will Call on site at Shadow Hills Country Club beginning September 10th.**

The total dollars raised and the Bonus Pool will be distributed at a press conference in December at Oregon Community Credit Union.
