## "Loose" Goydos Holds the Lead

Golf fans searching to find out about third-round PLAYERS Championship leader Paul Goydos will smile when they learn more.

The 43-year-old, two-time PGA TOUR winner once served as a substitute middle school and high school teacher in the early 1990s in

his hometown of Long Beach, CA. He is also a single father to two high school-age daughters. This week, he holds a one-stroke lead in THE PLAYERS over Kenny Perry and is on the verge of the biggest win of his career. He has never held the 54-hole lead in a TOUR event.

"This is better than I've ever been," Goydos said. "I think I've improved every year."

His sense of humor is possibly his strong suit. Just listen to him on a few different topics:

### ON WHY HE BUTTONS HIS GOLF SHIRT TO THE TOP:

*"Because I don't have any shoulders, and this way the shirt stays on."*

### ON HIS THOUGHTS WHEN PLAYING 17:

*"Land."*

### ON THIS BEING HIS FIRST CAREER 54-HOLE PGA TOUR TOURNAMENT LEAD:

*"But I've only been on TOUR for 16 years."*

### ON HIS DEMEANOR:

*"I actually think I'm a very nervous person. Appearance is one thing. I don't shake outside, not very much anyway, but inside, yeah."*

### ON WHETHER HIS BROTHERS, A SURGICAL ONCOLOGIST AND A RARE COIN COLLECTOR, PLAY GOLF:

*"No, they are smarter than that."*

### ON LEADING THE FIELD IN PUTTING THIS WEEK:

*"That's a function of not hitting a lot of greens (in regulation)."*

### ON HIS HAT, A TRIBUTE TO HIS COLLEGE ALMA MATER'S BASEBALL TEAM, THE LONG BEACH STATE "DIRTBAGS":

*"I had a kid who said he wanted my hat. I said, 'It's the only one I've got. Sorry.' It's a little rough because it's black, but it's fading to brown now."*

# INSIDE TO OUTSIDE

Early this afternoon, THE PLAYERS Championship contenders will descend the steps to the bottom floor of the Mediterranean Revival-style clubhouse at TPC Sawgrass. They will walk the "Tunnel of Champions," a 110-yard long passageway that is lined with black-and-white photographs of past PLAYERS champions and includes flanking workout room and caddie locker room.

At the end of this corridor, just before double doors leading to the practice facility, is a large plaque that heralds the entry into golf's biggest stadium, THE PLAYERS Stadium Course at TPC Sawgrass.

"Through this tunnel pass the greatest golfers in the world competing for the right to be called THE PLAYERS Champion."

The clubhouse, completed just before the 2007 tournament, offers TOUR members private entrances and space year-round. The right-hand side – viewing from the course – is reserved for just the participants and their families this week, offering a relaxing spot before going out to tackle one of golf's most-difficult courses.

Those who have won the title reside in The Champions Locker Room, which is reserved for past champions and contains wooden lockers affixed with gold plates that bear the winner's name and victory year, beginning with three-

time champion Jack Nicklaus' No. 1 locker. Each year, as the final round concludes, a new nameplate and locker are prepared for a champion's presentation later that night.

From the Champions Locker Room, players pass by the barber chair which was brought from Sawgrass Country Club across State Road A1A, the previous site of the tournament (1977-81). The players who recorded the highest scores of the day sat in this chair, which still serves as a place to vent among their TOUR brethren.

The corner room holds the

Players' Lounge, which is a place to wind down and is furnished with a pool table – convertible for ping-pong matches – high definition televisions, EA Sports games and filled with various publications.

The spacious, adjacent main locker room – for the remainder of the field – connects to player and family dining in "Pub 17." Large photographs of reigning champions from THE PLAYERS and other major professional golf events decorate the walls.

This is where the players chill out. Outside is where they become champions.

The Players' Lounge is a place for players to relax before and after rounds.

The Champions Locker Room is reserved for past PLAYERS champions.

The barber chair was brought from Sawgrass Country Club years ago.

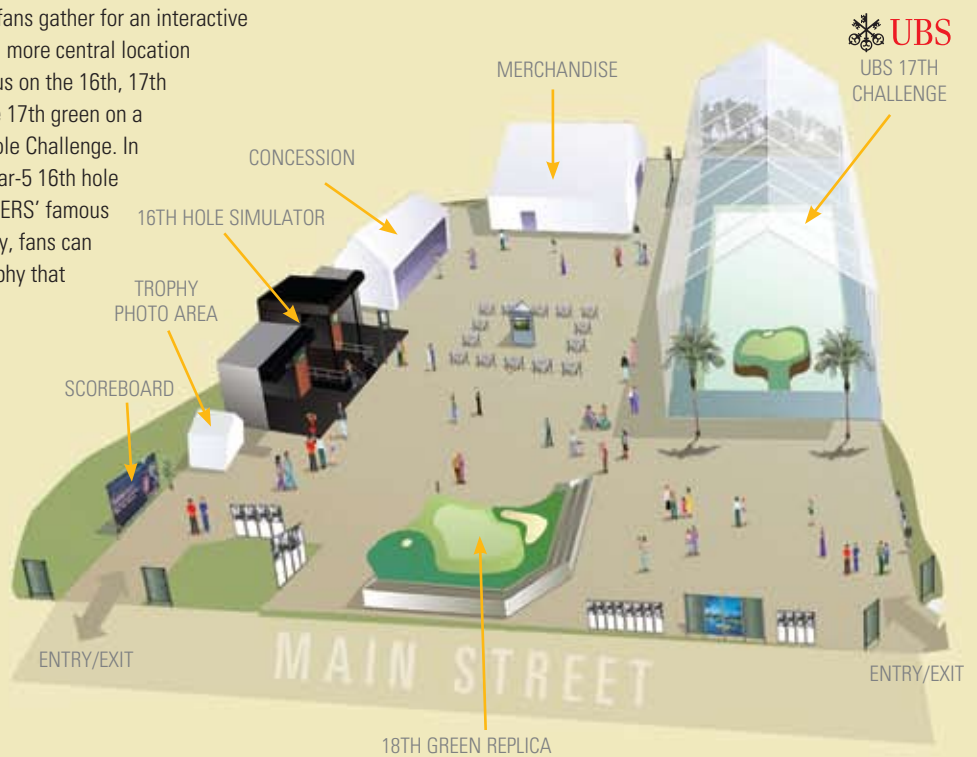

Last year, Phil Mickelson received his champion's locker after winning.

# THE STADIUM VILLAGE

THE PLAYERS Stadium Village, an area where fans gather for an interactive experience, debuted in 2007 and is located in a more central location adjacent to the clubhouse this year, with a focus on the 16th, 17th and 18th holes. Fans can still attempt to hit the 17th green on a one-quarter-scale 17th hole at the UBS 17th Hole Challenge. In addition, fans can relive famous shots on the par-5 16th hole at a swing simulator and try some of THE PLAYERS' famous final putts on a replica of the 18th green. Finally, fans can have their photos taken with THE PLAYERS trophy that goes to the winner.

## World Golf Hall of Fame Features Exhibit Jack Nicklaus – Golf's Golden Champion

Through December 2008, guests can revel in the stories behind Jack Nicklaus, one of golf's most treasured legends and the 2008 recipient of the PGA TOUR's Lifetime Achievement Award, at the World Golf Hall of Fame. Just a short drive from TPC Sawgrass, the Hall's feature exhibit, "Jack Nicklaus: Golf's Golden Champion," is the latest member-focused exhibition and spotlights Nicklaus' extensive career and life through a comprehensive collection of personal and professional memorabilia, photographs and video. The exhibition was created in collaboration with the Jack Nicklaus Museum and The Ohio State University in addition to support from Jack and Barbara Nicklaus and the Nicklaus Companies.

Guests to THE PLAYERS can also get a taste of the World Golf Hall of Fame in the tournament's Welcome Pavilion, located near the

tournament entrance. The pavilion illustrates the story of THE PLAYERS itself, as well as the Hall of Fame, its members and its annual induction ceremony.

In addition, St. Johns County, home of THE PLAYERS and the World Golf Hall of Fame, is highlighted with stories and images of its tremendous golf, beaches and

the historic town of St. Augustine.

The World Golf Hall of Fame is located at World Golf Village off Interstate 95 at exit 323. The museum is open Monday through Saturday, 10 a.m. to 6 p.m. and Sunday noon to 6 p.m. For more information or to book a vacation package to World Golf Village, call (800) WGV-GOLF or visit wgv.com.

## Ask Us

Approximately 2,000 volunteers will be on hand this week to support THE PLAYERS Championship. This group (clad in green golf shirts) plays a vital role in running all aspects of the tournament. Ron Natherson represents these volunteers as the Tournament Chairman this year. In addition, approximately 160 PGA TOUR employees will be on the grounds to serve as Ambassadors, directing spectators around the course. They can be identified by their blue golf shirts and caps.

**WEATHER WARNING** Inclement weather policy for spectators: Observe the leaderboards throughout the golf course for "Weather Warning" signs that will appear if the tournament becomes aware of inclement weather moving into the area. When this warning appears, spectators are advised to take precautions and seek shelter prior to play being suspended. If the siren sounds, put down your umbrella and seek shelter immediately. **AVOID THE FOLLOWING:** Hilltops/high places, isolated trees, open fields, golf carts, metal and wire fences.

# THE KIDS ARE ALL RIGHT

A tradition at THE PLAYERS is the presence of children at the tournament. They come in all shapes and sizes, some seeing PGA TOUR golf for the first time. They collect autographs, try out regulation-sized putters, find time to slide down a TPC Sawgrass hill and even watch golf when their merry-making allows. Happy Mother's Day, moms. Celebrate your greatest creations. THE PLAYERS honors mothers today with commemorative pins going to the first 10,000 moms through the gate.

**LIVE @**

For the ninth consecutive year at THE PLAYERS Championship, PGATOUR.COM brings access to the 17th hole at TPC Sawgrass. LIVE@ THE PLAYERS gives fans complete coverage of every player and every shot on the par 3 for four consecutive days. Go to [PGATOUR.COM/livegolf](http://PGATOUR.COM/livegolf).

2003-29 2004-30 2005-67 2006-57 2007-93 2008-Through 3 Rounds -48

2008 marks the second year of the FedExCup, a season-long points competition, consisting of the Regular Season and four Playoff events, all culminating with the crowning of the FedExCup champion. As players and fans saw last year, the FedExCup makes each week, including the THE PLAYERS Championship, critical for PGA TOUR players to ensure themselves a good seeding for the Playoffs and a better chance to take home the FedExCup trophy in September.

Players this week will be competing for a total of 27,500 points. First place in the THE PLAYERS is worth 4,950 points, and the winner will have a significant advantage in the FedExCup standings. Tune in all season long to see who will be next to win the FedExCup.

## Klauk's Corner

Fred Klauk, course superintendent at TPC Sawgrass, has been affiliated with THE PLAYERS Championship since coming to Ponte Vedra Beach, in 1986 from the same position at TPC Eagle Trace in Coral Springs, FL. This year will mark his 23rd and final PLAYERS preparing the course as Klauk will retire after more than 35 years in golf-course maintenance. Klauk will be succeeded by Tom Vlach. Klauk sat down recently to discuss his tenure:

### Biggest alligator?

*I hooked one on a fishing line about 10 years ago. We got a permit to get one out of the lake on 18. The gator was in the middle of the pond, and we couldn't get him to eat the bait we set out. So I cast a line out, snagged him and fought him for 45 minutes. He weighed 440 pounds and was 10 or 11 feet long. Our rule for gators on site is if I drive right up in my cart and the gator doesn't move or jump in the water, he is probably too used to the vehicles or people. There's one in 17 pond now, but he's only 6 or 7 feet long — not very big.*

### Biggest change in superintendent profession during your time.

*Irrigation and equipment technology. Irrigation is now all computerized. In my first job, it was all manual, and you had to have a night waterman. Now you can operate the irrigation heads to the second electronically. The equipment is so much more superior. We can maintain the tees at green heights, the fairways at tee heights and the greens like billiard tables.*

## BIRDIES FOR CHARITY

The Birdies for Charity program annually leads up to THE PLAYERS Championship and allows the community to support local charities through tracking the exciting, high-level of play during the tournament. Similar to a walk-a-thon, Birdies for Charity participants make a pledge to a local organization for each birdie made by professional golfers during THE PLAYERS. A record 51 local organizations are participating this year, up from 42 in 2007 and a strong indication that the generosity of First Coast residents will allow for a record fundraising effort. A previous press release is attached for reference/more information on the program.
