Thank You Volunteers !

Thank you for making THE 2004 TOUR Championship Presented by Coca-Cola a success. It is because of your support and tremendous efforts that the Championship has been such a great success at East Lake Golf Club and why Atlanta has been made the permanent home of the tournament.

All week long, we heard favorable comments from the players and guests that we had the most friendly and helpful volunteers of any golf tournament on TOUR. We are lucky to have so many wonderful people like you that gave your time and energy to the tournament. You did a terrific job and you should be very proud of how well the Championship was run. East Lake Golf Club and the PGA TOUR sincerely appreciate all of your time and effort.

THE TOUR Championship Presented by Coca-Cola Announces New General Chairman: Rob Johnston

After four successful terms as General Chairman of THE TOUR Championship Presented by Coca-Cola, Billy Payne has decided to step down from that role. Payne has created an incredible volunteer team, and it is what has elevated this prestigious tournament to an elite level.

We are pleased to announce that our new General Chairman is Rob Johnston (pictured in group shot above). Johnston is President and Founder of First Communities, a leading full service property management company in the southeast for the past 27 years. First Communities currently manages a portfolio of 55 apartment communities totaling 16,000 units. Johnston also actively consults with numerous lending institutions and large portfolio owners concerning apartment market information and demographic analysis. Over the past 27 years, Johnston has been responsible for the management operations of over 220 different apartment communities throughout the southeast.

Johnston has served THE TOUR Championship for four consecutive terms since its arrival in Atlanta in 1998. As Vice Chairman of the Spectator Services Division, part of his responsibility was hospitality and he has always been an exceptional ambassador for our event. We look forward to working with him this year and hope you join us in welcoming him as our new General Chairman.

Billy Payne Volunteer of the Year Award

The Billy Payne Volunteer of the Year Award was created during the 2004 Championship. As East Lake Golf Club is now the permanent home of the Championship, we knew it was important to recognize an outstanding volunteer every year. The award was named after Billy Payne, in recognition for the work he has done for THE TOUR Championship and in the Atlanta community.

Payne was the inaugural recipient of the Volunteer of the Year Award and it was presented to him during the Greenside Chat in 2004. The award will be given to the volunteer that best displays Payne's qualities which include leadership, service, hard work, humility, camaraderie, respect for people, love of the game and desire to enhance local community. Chairman, Hole Captains and Vice Chairmen will be asked to cast their vote for their Volunteer of the Year candidate at the completion of the tournament. Nominations will be reviewed by the General Chairman, Vice Chairmen and the Championship Staff. The top three candidates will be asked to attend a special Corporate Luncheon in the spring where we announce our donation to charity. The Volunteer of the Year will be announced at that luncheon and the winner will receive the Calamity Jane Putter. In addition, the winner will be recognized at that year's Greenside Chat.

The information and criteria for the award will be available during tournament week in the Volunteer Village. The Volunteer Tent committee will be available to help answer any questions.

Volunteer Recruitment Schedule

It takes hundreds of volunteers and thousands of hours of support to ensure the success of THE TOUR Championship Presented by Coca-Cola at East Lake Golf Club. The first three years of THE TOUR Championship raised over \$3 million in donations to our two charities: the East Lake Community Foundation and The First Tee. The contribution from 2004 will be announced this spring. It is with our volunteer support and effort that we are able to give so much back to charity, the heart of the PGA TOUR.

Calling all Volunteers

In an effort to help grow the Championship and create a legacy of our tournament within the community, we plan to create a volunteer calling center in the tournament office to help increase the awareness of the event and generate additional ticket sales. The phone center will be in operation June - August. Volunteers will make calls from a predetermined list with the goal of broadening our penetration into the community, increasing awareness of the event and bringing more spectators out to see the Top 30 PGA TOUR professionals in action.

To become a part of the team, please look for the new question on the Volunteer Application this year regarding office help with ticket sales. Specific details will follow for those who check "yes" for more information. Thank you in advance for your help.
