

GEOGRAPHY

THE WORLD OF GOLF

The PGA TOUR has golfers from all around the world. There are 93 International players from countries and territories outside the United States. This season the countries with the most players are the United States, England, Australia, Canada, South Korea, South Africa and Sweden. Have a look at the PGA TOUR [Country and Territory](#) page to help you find out where your favorite players come from. Pick a country or territory that is not where you are from. Can you use your detective skills to fill in the blanks about it?
