

TESTIMONIALS

"NextUp is extremely grateful to be part of the Birdies for Charity presented by TowneBank fundraising effort. This opportunity allows us to introduce our work to new audiences and increase the support of our current donors. Many of our board members use this opportunity to make their annual gift so they can leverage additional support for middle schoolers in Richmond. The amount we raise through Birdies for Charity increases each year and it has become a central part of our annual fundraising effort."

Registration is uncomplicated and the staff is helpful and responsive throughout the fundraising process. "We were informed about Birdies for Charity by one of our supporters. We were excited to get involved, as Mission Gait focuses on helping those with complex gait disabilities and golf is a great rehabilitation tool. Birdies for Charity is a fantastic fundraising opportunity with the bonus of a 10% match. Being connected to the prestigious Dominion Energy Charity Classic really helps us bring attention to our work and awareness to our efforts."

- David Lawrence, Mission Gait Founder & Director of Operations

"The First Tee of Greater Richmond is a proud supporter and participant in the Birdies for Charity program. Not only does it give organizations the opportunity to receive 10% more on their donations but it is also a well-organized way for local nonprofits to connect with a larger community through a valued partner, the PGA TOUR. The First Tee looks forward to staying involved with Birdies for Charity to expand our impact and drive donations further."

"I cannot begin to describe how Boot to Suits participation in Birdies for Charity presented by TowneBank, offered in conjunction with the Dominion Energy Charity Classic, impacts the success of our program to Veterans. With the wonderful guidance and marketing materials provided, our fundraising not only exposed our non-profit to a broad range of potential donors but ultimately assisted us in raising the revenue our non-profit needed to provide free services to our Veterans for 2017 and 2018. It is a game changer for us, I would strongly recommend to other local charities to take advantage of this unique opportunity and hopefully allow your program to realize the success our program was so fortunate to experience. We look forward to participating again."
