PROGRAM OVERVIEW

- Birdies for Charity presented by TowneBank is a fundraising platform, operating in conjunction with the Dominion Energy Charity Classic, that enables Richmond-area charitable organizations to solicit donations that will be bonused by 10%.
- Birdies for Charity is designed as a platform that can be easily integrated into existing fundraising efforts.
- Participating charities will receive all donations collected on their behalf, minus credit card fees for online donations, plus the additional 10%. There is no minimum amount organizations must generate to receive the bonus.
- There is no monetary cap on donations accepted through the Birdies for Charity program; however, there is a \$10,000 cap on the bonus per participating charity. There is a \$125,000 cap on the total bonus for the entire program that will be met on a first-come, first-served basis.

Example #1:

Charity A raises \$50,000 through the Birdies for Charity program; the bonus program will add \$5,000 to the funds raised, and Charity A's proceeds through the program will be \$55,000 less any credit card processing fees.

Example #2:

Charity B raises \$150,000 through the Birdies for Charity program; the bonus program will add the maximum \$10,000 to the funds raised, and Charity B's proceeds through the program will be \$160,000 less any credit card processing fees.
